

SAFETY DATA SHEET

according to EC directive No.1907/2006

Date of issue: 24.10.2011

Page: 1 from 3

Date of revision: 26.7.2024

Trade name: Rubber plates

1. Identification of the substance / preparation and the society / company*1.1. Identification of the substance or preparation: Rubber plates - rec. 6516**1.2. Utilization of the substance or preparation: for various uses in the shoe industry**1.3. Identification of the society or company:*

Manufacturer:

Name : KOMPONENTY ,a.s.ZLÍN
Registered place : Tř.Tomáše Bati 1970, 762 02 Zlín
ID : 255 482 21
Telephone : +420 577 522 639
Facsimile : +420 577 522 773
E-mail : komponentyzlin@komponentyzlin.cz
Processed: salac.david@komponentyzlin.cz

1.4. In case of emergency : Toxicological information centre, Na Bojišti 1, 128 21 Praha 2
224919293, 224915402**2. Danger identification**

According to act 356/2003 Col., in valid version and EC directive No.1907/2006 (REACH)

Danger classification : isn't classified as a dangerous.

The most severe unfavourable effects on human health in using of the substance/preparation:

Dust during work can irritate air passages.

The most severe unfavourable effects on environment in using of the preparation :

Unlisted.

3. Composition / information on ingredients

Characterization: pressed plate rubber-based - cellular.

Product does not contain the dangerous substances.

4. First aid measures

General indications:

During the work possibility of the dust generation, which consequently causes the abuse of health. In the case of the problems seek medical help.

Inhalation:

In the case of the inhalation leave dusty room and stay on the fresh air.

Skin contact:

The skin wash by water and with soap.

Eye contact:

By penetration of the eyes with little pieces or with dust it is necessary to rinse out the eyes by water. In the case of the irritation seek medical help.

Swallow:

Rinse out the mouth by water.

5. Fire fighting measures*Suitable extinguishing means:*

Select extinguishing means in dependence on the other stricken materials.

Unsuitable extinguishing means:

None.

Special danger:

During the fire escape flue deleterious gases.

SAFETY DATA SHEET

according to EC directive No.1907/2006

Date of issue: 24.10.2011

Page: 2 from 3

Date of revision: 26.7.2024

Trade name: Rubber plates

Special protective means for the firemen:

Independent breathing apparatus.

Other indications:

Take notice of increased safety by product burning.

6. Accidental release measures*Safety measures for the persons protection:*

Irrelevant.

Safety measures for the protection of the environment:

Irrelevant.

Advised methods of cleansing and disposal:

Irrelevant.

Other indications:

7. Handling and stocking*7.1. Handling:*

Keep beyond one's reach of the sources of heat. During the work possibility of the dust generation. Use protective aids according to chapter 8.

7.2. Stocking:

Store in the dry, dark and ventilated room by 30°C.

7.3. Specifically utilization:

Unlisted.

8. Exposure controls / Personal protection*8.1. Limit valuations of exposition:*

Not applicable.

*8.2. Limitation of exposition:**8.2.1. Exposition limitation of workers:*

None requirement.

a) Protection of respiratory system:

None requirement. Only in the case of large amounts of the dust during the work necessarily use respirator.

b) Hand protection:

Protective gloves in prevention of mechanical damage.

c) Eye protection:

Protective glasses against the dust.

d) Skin protection:

Use suitable protective clothing.

Other indications:

Unlisted.

8.2.2. Limitation of exposition of environment

Unlisted.

9. Physical and chemical properties*9.1. General informations*

Product aspect: solid

Colour : characteristically

Odour: odourless

9.2. Important informations in light of health protection, safety and human living environment

pH value: unlisted

Congealing point : unlisted

Flash point: not applicable

Inflammability: not applicable

Explosive properties: unlisted

Oxidation properties: unlisted

Vapour pressure: unlisted

SAFETY DATA SHEET

according to EC directive No.1907/2006

Date of issue: 24.10.2011

Page: 3 from 3

Date of revision: 26.7.2024

Trade name: Rubber plates

Relative density: 0,80 ± 0,05
Solubility: unlisted
Solubility in water: unlisted
Distribution coefficient: n-octanol/water: unlisted
Viscosity : unlisted
Fumes density: unlisted
Evaporation rate: unlisted
Ignition temperature: not applicable

9.3. Other informations**10. Stability and reactivity**

Conditions, under which is product stable:

Under normal conditions.

10.1. Conditions, which must be adhered to:

Protect from high temperature, from inflammable sources.

10.2. Materials to be avoided:

Strong chemical solvents and mineral oils.

10.3. Dangerous decomposition products:

Carbon oxides, nitrogen oxides by thermal decomposition.

11. Toxicological information

Unlisted.

Inhalation:

Unlisted.

Swallow:

Unlisted.

Eyes contact:

Unlisted.

Skin contact:

Unlisted.

12. Ecological information

Product isn't water-soluble.

Unlisted.

13. Disposal considerations*Ways of the substance / preparation disposal:*

Liquidate in accordance with local regulations.

Ways of disposal of the contaminated packing:

Irrelevant.

14. Transport informationLand transport:

Unclassified.

15. Regulatory information

Legal regulations, which are applicable to preparation :

EP and Council instruction (the EC) No.1907/2006.

The preparation is classified : unclassified

Marking of packing: none requirement

Dangerous substances : none

16. Other information

Information of this Safety Data Sheet arise from the data of the producer, from the valid legislation of the Czech

SAFETY DATA SHEET

according to EC directive No.1907/2006

Date of issue: 24.10.2011

Page: 4 from 3

Date of revision: 26.7.2024

Trade name: Rubber plates

Republic, EC and from the present state of our knowledge and experiences.

The data given here is based on current knowledge of the product at the time of publication. They are provided in good faith, user have to make sure, that the product is suitable for its application.
